Wayne James' Seasonings for Men is an all-natural, "quick-fix," herb-and-spice blend by *Manly Manners* author, fashion designer, lawyer, and former senator Wayne James. Formulated for the modern man, the seasoning-blend is based on a guarded recipe that has been in the James and Messer families of St. Croix, Virgin Islands, since the mid-1700s.

Uses: A preparatory seasoning, dry-marinate, and dry-rub for holiday and game meats such as venison, wild boar, pheasant, hare, goose, duck, goat, lamb, turkey, etc. Also use to flavor gravies and sauces.

Directions: Generously dry-rub onto large cuts of meat and whole carcasses (including cavities) and allow to dry- marinate in the refrigerator at least 24 hours before cooking. Sprinkle into gravies and sauces while cooking.
